Now
collaboration
positive staff outlook + attendance
staff + community invested connections
support for at-risk families
RTI
communication
diverse programming - arts
extra curricular
inclusive
all opinions are valued + appreciated
Good JOB!!
Areas of Improvement
· mental health
· student advocacy / voice
· ongoing staff reflection and learning
· intervention groups and strategies (RTI)
· student independence
· EA support ↑ time to collaborate
· critical thinking
· technology
Improvement
Goals
1. plan for, measure + provide experiences necessary for student growth / success
2. maintain healthy connections students / parents / staff
3. have a positive impact on student learning every day
4. expand RTI interventions and critical thinking experiences
Next Steps
· organize committee for student voice
· chill room
· create SHOUT OUT board
· create some targeted special interest groups
· increase peer mentoring
· plan RTI groups
· ideas to increase community involvement
· circle of care
Positive and Possible
celebrate effort
