APRIL NEWSLETTER

Faints dramatically

Always likes to eat grass messily

It is funny when they faint

Nimble and young

Tromping through the short grass

Icing looking fur

Notoriously friendly

Going to eat everything in your yard

Goats are rough and hairy

Oh Henrys are not good for them

Always faints to new things

They love to wander

ACROSTIC POEM - By Dane Gray

From a nice calming pond in a forest.

Resting on a lily pad in the nice warm sun.

Orange frogs can be poisonous when you touch them.

Green frogs are the prettiest to me, it's like unspeakable.

Soaking in the water and going for a swim.

Poem by - Zach Fehr

Acrostic Poem - Rylan D.

Hockey is my favorite sport its very fun.

Organized games are fun to watch and play.

Cold pucks are frozen before games.

Kids of all ages can play hockey and skate.

Equipment like goalie masks weren't used until the 1900s' due to the low visibility.

You should grab your stick and a puck and play hockey.

Treherne artist visits MES

Mrs. Frank's grade 5-6 classroom recently had a local artist visit their classroom. All the students worked on making a clay mask that will be dried in a kiln. Once dry, the masks will be decorated and painted. We look forward to displaying the masks at our upcoming art gallery.

Upcoming Dates

May 4th

MES Jump Rope for Heart Day

May 9th

Divisional Badminton Tournament @ MES

May 11th

MES Salad Day

(all students and staff)

May 19th

Grades 5-8 Divisional Soccer Tournament @ Langruth

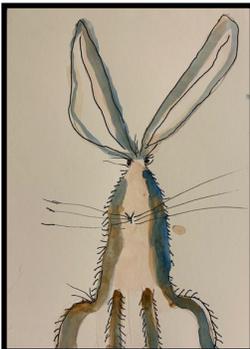

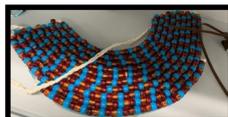

May 23rd

No School

Enjoy the long weekend!

May 31st

MES ART GALLERY 4:00-6:00 pm

MES ART

Hockey is my favorite sport.

O-pee-cee is a type of hockey card.

Crazy shots on goal.

Kyle Conner is the Jets best player.

Every day I play hockey in my basement.

Year 2011 the jets came back and I was born.

Poem by - Nathaniel I.

**I stole it
the truck
that was in the garage**

**and which
you most likely
had wanted
to keep**

 **forgive me** 

**the keys
they were in
the ignition**

Why attend a PAC Meeting?

Did you know that as a parent you're a part of the MES Parent Council? PAC Meetings are open to all parents and caregivers of MES students! Maybe you just haven't attended a meeting yet! When parents, families, and the community are involved in the education of their children, student achievement tends to increase, students feel more supported and students' attitudes change in a positive way. When we come together and communicate openly about needs, issues, and concerns it makes a difference in the lives of students. There are many ways to get involved, but you are also welcome to simply attend meetings with no pressure to volunteer. If you haven't yet, join us at an upcoming meeting! Keep an eye out for information on the next meeting in June.

Beloved Blue Couch - Heidi

**I have broken
the big blue
sofa that sat
in the basement**

**on which
you loved to
drop your butt
every night**

**forgive me
I just sat
down and
it collapsed**

APRIL IS NATIONAL
POETRY MONTH

Acrostic poem - By: Emily Wieler

There are about 1,441 million trucks and buses in the world!
Riding high and cruising across town.
Up and down over the hills so fast you can't see where you're going.
Climbing into the high truck, jumping as high as I could to get in.
King of the highway night and day.
So fast you're flying!

Acrostic Poem by - Miah Barber

Having a fun trail ride with friends and family.
Others lay the picnic blanket down while the horses are eating in a grassy field.
Riding by the creek where frogs are croaking and birds are chirping.
Sliding hooves while we're riding through the mud.
Entering the grassy pasture where we can let the horses run and roll around after they've had their saddles on for hours.
Supper is being served after that long ride.

Grade 3-4

ARCTIC ALLITERTATIONS

Safi the seal sits on a safe!
Polly the puffin put pepper on her pancakes.
Natalie the narwhal never needs a nightlight.
Winnie the walrus wishes wild worms wouldn't wonder.
Forrest the fox flew frantically for a Fruitopia.
Penelope the polar bear picks plums on Pluto.

In support of Ukraine and the challenges the Ukrainian people are facing, we are organizing a raffle where all funds raised will be donated to the Red Cross Ukraine Humanitarian Crisis. Throughout the month of May, we encourage families to purchase tickets on the raffle for two prize draws. Tickets are **\$2.00** each or three tickets for **\$5.00**.

First prize is a bicycle donated by Canadian Tire Portage and the second prize is a BBQ donated by MacGregor Elementary Student Council.

The draw will be made on June 3rd at 3:00 pm. Tickets are available at MES and during our Art Gallery on May 31st.

Thank you for your support of this worthwhile cause.
