MERRY CHRISTMAS!

From the

MES STAFF

did you know?

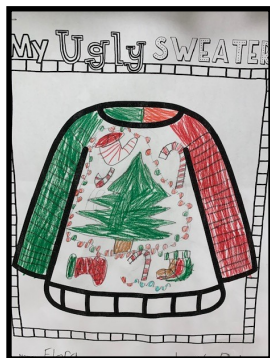

Did you know Christmas tree usually grow for 15 years before they are sold?

Did you know 1 in 3 men do their shopping on Christmas Eve?

Did you know the tallest tree ever displayed was in Seattle, Washington. It was 221 feet tall.

There is a Christmas tree on my sweater. It has candy canes and light too.

What is **GRIT**, and why is it important?

Grit is about perseverance. To persevere means to stick with it; to continue working hard even after experiencing difficulty or failure

Children's ability to be "gritty" or to overcome challenges and look at failures and mistakes in a positive way plays a large role in their ability to be successful in school and in life.
