#### Message to our 7-8 Students

Unfortunately, COVID has separated us once again. Please know that you will be missed during this two week remote learning period. I really encourage students to keep working hard throughout this time. It is vital that you continue learning and connect with your teachers online. These 10 days will go by quickly and we look forward to getting back down to business upon your return.

#### WHAT DO SNOWMEN DO AT NIGHT?

I think snowmen write a story at night,  
and have a snowball fight.  
Then they go to the park and swing,  
while they listen to the bell ring.  
Finally they get tired and they want to have a fight,  
but it is no longer night.

I think snowmen glide to the park,  
and play games when it is dark.  
Then they climb up a big hill, they yell "wheee",  
as they slide down the hill.  
Finally when they are all tuckered out,  
they go back home before the melt.

**A HUGE thanks to Brock Sigurdson for nominating our school for the "Tonne of Support" campaign sponsored by Masterfeeds. MES will receive a cheque for \$500.00. The school will work closely with Brock and come up with an idea for all students to enjoy. Thanks Brock for taking the initiative to nominate our school!**
