September 11<sup>th</sup>, 2020

To MacGregor Elementary School Parents:

Welcome to the 2020-21 school year. Although the upcoming school year will be unlike any other, we are still anticipating a fun and memorable year for our students. A great deal of hard work and planning has gone into the school year start up, and with the continued support of our awesome MES families, I have no doubt everything will work out as expected. At times, plans will need to be adjusted and changed, but if we support each other and remain flexible, we can make it work for all students.

Communication between the school and parents is vital for student success. We hope parents will continue to check out our MES website, as it is updated regularly with photos, information about school events, and student learning. We value ongoing communication between school and home. Teachers can be reached vial phone and email. If you are planning to visit the school, it is necessary to make prior arrangements with the classroom teacher and/or the main office.

If you have recently changed your email address or contact numbers, please contact the school so all updates can be made. Changes can also be updated on the student registration form which students will bring home the first day of school.

MES staff is looking forward to the approaching school year and all of the successes and challenges that come along with it. In a normal year, we would be excited to meet all of our families at the annual welcome back BBQ and book sale. Unfortunately, we are unable to hold this event at this time. It is my hope that as the school year progresses, we are able to once again host these fun events for families and students.

In closing, please know that MES staff will do all we can to create a safe, engaging, and fun learning environment for all students.

Sincerely,

Bryan Marriott
