September 1st, 2021

To MacGregor Elementary School Parents:

Welcome to the 2021-22 school year. We hope that all MES students and families enjoyed our warm Manitoba summer and are feeling rejuvenated and ready for back to school. I realize there is a great deal of uncertainty of how the school year will look for our MES students. We are committed to communicate expectations and plans with families throughout the school year to keep all students and staff safe. It is vital that families follow all the guidelines developed by Public Health, PCSD, and MacGregor Elementary School.

Communication between the school and parents is vital for student success. We hope parents will continue to check out our MES website, as it is updated regularly with photos and information about upcoming events. We value ongoing communication between school and home and although there will be restrictions in visiting the school, we will continue to stay in touch and connected as much as possible.

If you have recently changed your email address or contact numbers, please contact the school so all updates can be made.

MES staff is looking forward to the approaching school year and all of the successes and challenges that come along with it. We invite families to join us for the annual Welcome Back BBQ and Book Fair from 4:00 to 6:00 on Thursday, September 23rd. More information on how this event will be organized will be sent to families at a later time.

We look forward to seeing all MES students on September 8th. Enjoy the rest of the summer break!

Sincerely,

Bryan Marriott
