Merry Christmas

Why winter is 100 times better than Summer?

If you like hockey, curling, skating or any other winter sport you want to listen to this page! Hockey is my favorite sport, I really like it because of the action and suspense it offers me. There are games where you know you are going to win by a lot of goals, and there are games where you know it will be a really tough and even matchup and you don't know who's going to pull out on top. I am really good at hockey and one of the reasons I get a lot of practice is because of winter. If we didn't get snow or cold enough temperatures to build a hockey rink I wouldn't have enough practice to get how good I am now. Winter is not all sports though, it is also really fun. Whenever the snow is really fluffy it is perfect for jumping in snow banks or making snow angels. Hard snow is also fun though, it is the best for making snowmen or throwing snowballs or even riding a snowmobile or something like that! I think that is why you should choose winter over summer!

Nothing better than FRESH baked items

Some students at MacGregor Elementary School have had the opportunity to learn some baking skills with Mrs. Dorothy Hill. It has been a very popular experience and we are excited to offer this program. Thanks to Roquette, PCSD, and Heartland Rec. for contributing some financial support.
