MacGregor Elementary School students, Ivy and Violet Rempel recently participated in the Take Pride Winnipeg Fashion Fest. Earlier in the school year, Recycle Manitoba visited MES and spoke to our students about the importance of recycling and highlighted the Fashion Fest, where students could create a piece of clothing from recycled items. The dress seen in the picture is completely created by using baler twine and net wrap that Ivy and Violet collected from their family

farm and grandparent's farm. The project took a significant amount of time to complete with many different prototypes. Once the dress was completed, Ivy modelled the dress at the Fashion Fest in Winnipeg while Violet spoke about the entire process. We are very proud of the girls for their efforts in this project and we were so pleased to present the dress to our school community at the annual MacGregor Elementary School Art Gallery.

**Congratulations Ivy and Violet!**

The MES Art Gallery and Spring Concert was another huge success and we want to thank all the students and staff for their hard work to put on this event. The gallery is a fantastic way to celebrate the arts and recognize all the amazing talents at MES.

### Field Trip Chaos - IVY REMPEL

It's the 28th, don't miss the bus, don't be late!

C'mon, hurry up, accelerate

We're here! Now it's time to have some fun,

From a skip to a hop to a leap, to a run!

Please Ms. Manns don't have a heart attack,

Not here not now, I'll carry your rucksack,

Just last for a little more

Even though your joints are sore

Just make it onto the bus and through the door.

THE END

On May 5th, students in grades 5-8 enjoyed an afternoon of activity and the opportunity to work as a team during the scheduled gym blast. The focus of the event was for students to recognize that everyone brings something to a team and to support team members. Gym blast leader, Tyson Murray took the opportunity to speak to students about this topic throughout the gym blast.
